Dear Temporary Chief Constable Nick Ephgrave,

Please accept this as a formal complaint from Foxhills Club and Resort in Ottershaw, Surrey.

You will not be aware I am sure, but we have been broken into on quite a number of occasions now on the following dates:-

- Mon 4/1/16 Golf Compound broken in to around 0146, utility vehicle taken and used to steal ATM.
- 12/9/15. Member's car broken in to and 2 sets of clubs stolen.
- Weds 19/8/15 Member Golf Bag Locker room broken into. Cost to the business £50K in regards to beefing up security, putting right all the damage and replacing our loyal members clubs that were being stored in the locker room.
- 31/5/15 Ford Transit van belonging to member of staff parked in car park. Specific parts taken from the van, part of the front bumper, parts of the lights, parts of the wing mirrors. A theft which is almost identical to one which happened a year ago to a transit van parked in the car park.
- 11/5/2015 John Deere Utility Vehicle - driving range ball collector - stolen. Worth 19K.
- 29/4/15. Gardener's store broken in to. All equipment stolen. Had been locked with commercial locks.

Foxhills

- 22/1/15 Broke into sheds stole chainsaws etc
- Aug 2014 – Greenkeepers shed break-in
- 08/04/14 Golf Compound broken into 20K worth of small garden equipment stolen. Added £10K worth of security measures.

TRESPASS

- 2/2/16 trespass by 3 teenage boys in to Spa area between 4-5pm
- 30/1/16 trespass by 3 teenage boys in to Spa area between 2-4pm
- 28/1/16 trespass by 3 teenage boys in to Spa area between 8-9pm.
- 26/12/15 8 travellers forced their way in to the Spa and jumped in to the indoor swimming pool in their underwear, then went outside to the hot tub. They started to be abusive towards the team and barging their way into the spa office to get towels. Police called but they did not respond in time. Reg plate was noted but the police did not seem to consider it too be note-worthy.
- 31/10/15 trespass by 3 men in the spa garden. Travellers were removed

These break-ins have so far amounted to tens of thousands of pounds. Forensic teams have been on site for some. However when I chase CID/police to find out how the investigations are going I find that none of the above has progressed any further. We have offered HD CCTV footage on a number of occasions and only a few times has it been accepted and then nothing has come of it.

We also have travellers trespassing on a regular occurrence and the police do nothing.

To give you a few examples in more detail:-

1. We had a break-in at one of our residential properties close by which surrounds our grounds and the police came out then. The next night, our tenant in question, heard a vehicle start up in our green keeping compound. She telephoned the police at 1.46am and was told not to be paranoid it was probably just traffic. As it turned out one of our vehicles was stolen out of the secured compound at the time she reported it, driven across our golf course and our ATM was then stolen from within one of our buildings. The ATM contained two and a half thousand pounds. The perpetrators caused considerable damage. It could very well have been stopped if the police had taken our tenant's phone call seriously.
2. The incident where we had the bag store broken in to, the perpetrator in question had a tattoo on his hand. The police told me yes that is fantastic, great, we will get him, no problem. I have chased but no leads and seemingly no investigation.

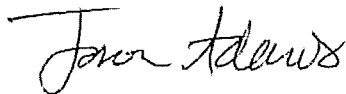

3. I telephoned 101 concerning another incident here at the Club (3rd Feb) and got put on hold for thirty minutes. I could not get through to anybody so I gave up. I reported it on line instead and received a letter from Victim Support. I do not want Victim Support. I want action!

So as you can probably tell from this letter I am coming to the end of my tether and I need something done, I need somebody here. I have been told by Helen Flowers at CID, Staines that there is no resource, no Budget for these kind of things, it is not a priority but as I am sure you can understand when tens of thousands of pounds of kit gets stolen on a regular basis we are getting thoroughly frustrated and want to ensure this does not happen again.

Our members are now getting very agitated, and my staff members have huge concerns about what might happen in the future. I am sure you can understand the loss of business is going to be huge going forward. Our members are beginning to not return and our staff are very uneasy. We cannot afford to put security on 24/7. We need some solutions for this to be resolved and stop happening.

So please, please, please, can I have some action from somebody. This is consistent theft from our business and I require help to stop any further thefts.

Yours in anticipation from a thoroughly frustrated Business Manager.
