**Re: Premises licence at the Victoria, 427 Woodham Lane, Woodham KT15 3QE  
Application dated 1st April 2020**

We would like to add our support to the comments of [REDACTED]  
[REDACTED] in respect of the disturbance which will result from the wide ranging opening times included in the above proposals.

This will be exacerbated in the summer months by the excessively large number of outside seating/dining places - I make it 98, excluding the tables and chairs at the front.

Establishing The Victoria as a modern, attractive eating place may well find support in the community in principle but the proposed scale and opening times place too much of a burden on those living in the immediate vicinity. A fair balance is much more likely to ensure a successful, sustainable enterprise. Please moderate this proposal.

Thank you.
