**Addendum to item 6 S106 Englefield Green Minor and Major Projects Fund**

Members are asked to approve these revised recommendations which replace those on the main agenda in the original report, to now read as follows:

**Recommendation that:**

- i) the recommended successful applications to the s106 Minor and Major Projects Fund be approved, noting that a replacement play area at The Green on Englefield Green and how that is funded is subject to the approval of the Englefield Green Committee;**
- ii) Members agree to ringfence the requested amount relating to the Village Centre and Runnymede Borough Council applications, where further discussion or information is required, and that the decision to award a grant be delegated to the Corporate Head of Community Services, in consultation with the Chair and Vice Chair of Community Services Committee; and**
- iii) Members agree to ringfence the requested amount relating to the application by Journey Church, for a period of 18 months and final approval and award of any grant sum to Journey Church is subject to a further report to Members, where project detail, mirroring the requirements of Your Fund Surrey, is to be presented, to enable Members of Community Services Committee to make a final decision to make a grant award**
