Context of report

- 1.1 The Housing Revenue Account Business Plan (Appendix A) outlines the financial strategy and planning for the delivery of Runnymede Borough Council’s landlord services over the next 30 years.
- 1.2 The Localism Act 2011 enabled Runnymede to refinance its Housing stock and The Settlement Payments Determination of 2012 required stock holding local authorities to produce a 30-year business plan.
- 1.3 There are both contractual and statutory obligations placed on landlords. These obligations include health and safety requirements, tenant engagement, the provision of day to day repairs, investment in tenants’

homes, collection of rent, action to tackle anti-social behaviour, support for older people etc.

- 1.4 In Summer 2022 the Regulator will publish a new Tenant Satisfaction Measures Standard (the expected measures are included within the report on the service's performance) with the data collection requirements from April 2023 for a first annual submission in Summer 2024.

2. **Strategic Aims**

- 2.1 The Housing Revenue Account Business Plan outlines five themes for Runnymede Borough Council's housing landlord service over the next 30 years (the plan will be reviewed annually – it is therefore unlikely that these themes will be retained for the next thirty years).

- Optimising Income and Efficiencies
- Good Quality Housing
- New Council owned homes
- Review and modernise provision for older tenants
- Well managed neighbourhoods

3. **Policy framework implications**

- 3.1 The Housing Revenue Account Business Plan links to other key strategic documents. The document sits underneath the Housing Strategy Statement and Corporate Business Plan linking work of the Housing Landlord Service to the wider objectives of the Council.

4. **Resource implications**

- 4.1 The Housing Revenue Account Business Plan provides income and expenditure projections over a 30-year period. It therefore references considerable levels of spending

- 4.2 The supporting capital investment plans of Runnymede Borough Council's Housing Landlord Service are articulated within the Housing Asset Management Plan 2021-2026.

- 4.3 Detailed delivery plans over the next financial year are articulated within the Housing Business Centre Plan 2022-2023, item six on the agenda.

5. **Legal implications**

- 5.1 The Localism Act 2011 enabled Runnymede to refinance its Housing stock and The Settlement Payments Determination of 2012 required stock holding local authorities to produce a 30-year business plan.

6. **Equality implications**

- 6.1 Obligations are placed on public sector bodies to ensure there is no discrimination in the way services are delivered. Equality Impact Assessments are carried out as required for proposed service and policy changes.

6.2 The Housing Revenue Account Business Plan encapsulates the economic aspects of delivery and an EIA is not relevant.

7. Environmental/Sustainability/Biodiversity implications

7.1 The Housing Revenue Account sets out two commitments on environmental sustainability: -

- Energy Performance (minimum energy performance of our stock at a C energy efficiency rating by 2030)
- Delivery of 125 additional units by 2026, these homes will be built to an A rating and include alternative heating sources to gas where appropriate.

8. Conclusions

8.1 It is recommended that Housing Committee members approve the aims identified within the Business Plan. It is also recommended that members note that the delivery of the themes contained within the plan are described within the Housing Business Centre Plan 2022/23.
