

**Outside Body: Frank Muir Memorial Field**

**Councillors: Linda Gillham, Elaine Gill, Margaret Harnden**

This important amenity space within Thorpe Village is well loved and increasingly well used.

At a well-attended AGM in early April the committee were re-elected.

A report was received from Nathan Wharf on the football pitch which he maintains and is used by the Frank Muir Lions youth teams of both girls and boys. They now have negotiated with RBC planning and have a fenced enclosure for the goals.

Cllr. Elaine Gill and Cllr. Linda Gillham have been co-operating with Victoria Gibson (planning) over an application for an adjacent piece of land which is an allocated site for development. This has implications for the field and successful talks have produced a more acceptable application.

While this is not a committee that involves much Councillor time it is one that is very important to the village and all three ward Councillors maintain a strong interest in its preservation, maintenance and future.
